

The Board has suggested that weekly updates are distributed to Members and friends. And so, it begins.

In future Bulletins I will endeavour to include some historic references of Club activities.

Meeting 3rd February.

We had an excellent discussion last meeting, with an excellent presentation by Iain McCrae, about becoming involved with the ANZAC service at Marivare Reserve, Epsom. Special thanks to Peter and Iain for the investigative work. The Board recommended we go ahead with this involvement, and this was endorsed by all present at this meeting.

For our next meeting, 10th February, the focus will be a discussion led by President Elect Paul Jenner on "The Joy of Walking", an initiative explained briefly by Barry at our first meeting of the year.

Please advise Sergeant Noel of your attendance, or if you will be an apology by this Friday 5pm, for catering purposes.
